

SylvaSport Cleaner

GENERAL DESCRIPTION

SylvaSport Cleaner is a universal soap for sports floors.

The soap does not leave a film or residue on the floor.

To neutralize Sylva Sport cleaner before re-lacquering or to maintain slip resistance, use SylvaNeutralizer.

Use a scrubber-dryer machine or clean by hand.

For professional use.

DIRECTION FOR USE

Dilute the soap in water according to recommendation.

Use a well wrung cloth, mop or cleaning equipment with low dispensing of water.

To prevent water damage always wipe off any spillage as fast as possible.

PRECAUTIONARY MEASURES

Before using the product, read the label on the container carefully and observe the recommended precautionary measures.

See Material Safety Data Sheet for detailed information about precautionary measures.
