

JUNCKERS HP COMMERCIAL FASTEST

CURING SEAL
ON THE MARKET

JUNCKERS HP COMMERCIAL

Junckers HP Commercial is a very hard wearing lacquer which will last for years. It is the fastest curing seal on the market. The product can be applied with brush, roller and spray, which makes it very easy and quick to use. The quality is excellent, and is suitable for all kinds of floors with a high degree of wear.

Junckers HP Commercial is a low-odour, hard-wearing water-based 100% pure polyurethane lacquer for prefinished or untreated, newly installed or machine sanded wooden floors in commercial areas. Untreated and sanded floors are primed with Junckers PRELAK or Junckers PRO SEAL to reduce the gluing effect.

Junckers High Performance Commercial should be mixed with Junckers High Performance Commercial Hardener before use.
